

To the hills I will lift my eyes from when does come my aid
To the hills I will lift my eyes from when does come my aid
To the hills I will lift my eyes from when does come my aid
To the hills I will lift my eyes from when does come my aid

To the hills I will lift my eyes my shelter and my shade
To the hills I will lift my eyes my shelter and my shade
To the hills I will lift my eyes my shelter and my shade
To the hills I will lift my eyes my shelter and my shade

Sun by day or moon by night my courage will not fade
Sun or moon my courage will not fade
Sun moon by night my courage will not fade
Sun moon courage will not fade

To the hills I will lift my eyes and I am not afraid I am not afraid
To the hills I will lift my eyes and I am not afraid I am not afraid
To the hills I will lift my eyes and I am not afraid I am not afraid
To the hills I will lift my eyes and I am not afraid I am not afraid

When you were born you cried and the world rejoiced
Live your life so that when you die, the world cries and you rejoice.
